Funeral Services for Levi Curry

Dear Faithful and Friends of Saint John Orthodox Cathedral,

Most of you know this tragic news already, but I want to update those who perhaps might not. This past Thursday, Levi Curry, age 15, the son of JD and Mary, collapsed at Eagle River High School. The school staff and paramedics responded quickly and with great care, administering CPR even as he was transported to Providence Hospital. His condition, however, was critical, and on Friday night, Levi fell asleep in the Lord about 9:30pm. Levi had a pre-existing heart condition that had been carefully managed by a pediatric cardiologist. He was a wonderful young man, a member of our Cathedral since birth, and a student at St. John's School. In the midst of this unimaginable sorrow, Levi's family made the generous decision to donate his organs, offering the gift of life to others.

Levi's funeral will be held on Wednesday, November 11. Please see the schedule below and important information of how you can help with the "Mercy Meal" immediately following. Also note that we may have a large number of people outside our parish at the service, especially the members of the Eagle River High School football team and coaches, who loved him very much. Kindly help them find a place to join the Funeral Service, as they wish. Also, be mindful that parking may be crowded and help alleviate this as you can.

The loss of our younger brother Levi – so young, beautiful and good – is a great loss to us all. Please keep Levi's family and friends in your prayers.
May his memory be eternal.

Fr. Marc

"Mercy Meal" Information

This will take place in the Cathedral basement following the funeral service on Wednesday. We expect a large turnout; Levi was well loved in the Eagle River community. For this reason, we are planning an Italian food potluck to feed a very large crowd. A signup form for food items has been created and you will see the link below. We have a clean-up crew but please pitch in as much as you can to help the clean-up wrap up quickly. Many hands make light work. Please direct any questions to Sydney Ihde at (907) 854-5517. Thank you.
