Christ is Risen!

After taking a year off from gathering due to Covid Bethany and I are excited that St. John's Youth Group can begin meeting again over the summer! We will be going on outdoor adventures including hiking in our local mountains, bike rides on some of our trails, and paddling around the nearby lakes. Along with our adventure there will be facilitated discussions on topics relevant to modern, teenage life.

St. John's Youth Group will include grades 7-12 and youth are encouraged to invite friends from outside the church. We will be meeting every other Wednesday from 6-9pm starting June 16th. Transportation will be provided from the Cathedral to each location unless otherwise noted and communication will come through the Church website and community emails.

Our first meeting will be a hike on the Mile-High trail, so look for an email soon with more details.

We look forward to being together again with all of you,

Bethany and John Marc Dunaway
